Statement of intent

Tower Learning Centre Independent School Independent School believes in encouraging the use of guest speakers and external agencies to enrich the learning experience of its pupils. However, the school actively scrutinises speakers and agencies to ensure that they do not contradict the ethos of the school or conflict with the legal framework outlined in the Prevent duty.

Tower Learning Centre Independent School Independent School fully supports freedom of speech and is aware of the broad range of views and ideas that are needed in the course of a pupil's development. Tower Learning Centre Independent School Independent School will endeavour to provide pupils with a balanced view of events, ideas and beliefs.

The Centre aims to use the power of education to counteract extremism through the promotion of British values, such as tolerance and freedom of speech.
- Tower Learning Centre Independent School Independent School is aware that pupils may sometimes express views or ideas that are discriminatory, prejudiced or extremist. All members of staff have been trained to deal with these instances appropriately and proportionally.

3. Assessing suitability

3.1 According to the Prevent duty, schools have a due regard to prevent people from being drawn into terrorism; this includes violent and non-violent extremism, which can create an atmosphere conducive to terrorism, and can popularise views which terrorists exploit.

3.2 The Centre is a safe space where children can understand and discuss sensitive topics, including terrorism and the extremist ideas that are part of terrorist ideologies.

3.3 Before inviting an external agency or guest speaker, the Centre conducts background research into the relevant parties, ensuring that:

- Any messages communicated to pupils support British values.
- Any messages communicated to pupils do not seek to glorify criminal activity or violent extremism.
- The group or person is not attempting to narrow the views of pupils through extreme or narrow views of faith, religion, culture or ideology.
- The subject matters being raised are appropriate for the specific age group.

3.4 All members of staff actively attempt to strengthen pupils' abilities to engage in informed debate. The Centre believes that the best way to combat extremism and intolerance is to empower pupils to challenge these views in an active and constructive manner.

3.5 The Head teacher makes the final decision as to the suitability of any guest speaker or external group.

3.6 The Head teacher has the right to request a transcript from the speaker prior to any speech being made.

3.7 Other than safeguarding issues, there are a number of other factors that are considered when evaluating the suitability of a guest speaker or external group. The school considers whether or not:

- The visit will add value to the pupils' learning experiences.
- The speaker or group has the expertise in the subject they are delivering.
- The planned activities meet the health and safety guidelines.
- The individual or group has the required DBS checks.
- Relevant references have been provided and checked.

3.8 Before the visit, a full risk assessment must be carried out and all speakers will be researched for extreme views and content before approval by the Head teacher.

4. During the visit

4.1 Guest speakers are made aware that their speech is recorded or filmed.

4.2 No recordings or videos are made public unless written permission is granted by the speaker.

4.3 The Head teacher or a senior member of staff is present during the speech or group activity, to oversee that the relevant guidelines are followed.

4.4 Intervention is considered if the member of staff feels it is necessary.

4.5 Any reasons for intervention are recorded for future reference.

5. Balanced presentation

5.1 Improving the spiritual, moral, social and cultural (SMSC) development at the Centre offers a balanced presentation of opposing views. This is applicable when a guest speaker is expressing overtly political or partisan views.

5.2 Tower Learning Centre Independent School Independent School ensures a balanced approach through:

- Discussions in class.
- Presentations by staff.
- Extra-curricular activities.
- Assigning homework to pupils.
- Other methods deemed appropriate by the Head teacher.

5.3 The final decision as to whether the subsequent learning activities carried out after the visits have been balanced will be made by the Head teacher

5.4 'Partisan views' are defined as a one-sided political viewpoint.

5.5 'Political views' are defined as ideas expressed:

- To further the interests of a particular political party.
- To procure changes to the laws of this or another country.
- To procure the reversal of government policy or particular decisions of governmental authorities in this or another country.
